Developed for Quality, Value and Stewardship

"Biggest Improvement to Battery Chemistry in 75 Years"

PROVEN, WATERBASED, PATENTED.

Simply top up cells with recommended amount for up to 3X the life of new and existing batteries. Increase CCA and energy savings. Trucks, Tractors, ATV, motorcycles, Fork lifts, golf carts, emergency generators/pumps as well as solar, wind, storage batteries. Millions of batteries treated globally. Now made in Canada.

Treated storage batteries require up to 80% less trickle charge to stay maintained in peak condition.

Major energy savings up to \$1000 off electrical bills, per unit, per year, for electric lift trucks, airport tugs, golf carts, scissor lifts and floor machines.

- ✓ Prolong battery life up to 10 years
- ✓ Increase Performance and Voltage
- ✓ Increase CCA
- ✓ Less watering (up to 50%)
- ✓ Slower Discharge, Faster Recharge
- ✓ Less Trickle Charge required (up to 80%)
- ✓ Up to 30% Energy Saving
- ✓ One bottle treats up to 5 starting batteries
